

Withdrawal Request

PLEASE NOTE: To withdraw funds, please complete, sign & return the 26 Degrees Withdrawal Request Form in a scanned format by email to support@26dgm.com. Upon receipt your request will be processed within three business days. If all the funds in your account are being withdrawn, all positions must be settled and converted before a withdrawal can be processed.

If the 26 Degrees Withdrawal Request Form is completed in respect of a joint/corporate/trust or corporate trust account, we will require email confirmation from all additional account holders authorising the release of any balance as stated within this request. 26 Degrees is not responsible for errors made by the account holder and will not make payment to a third party. 26 Degrees will only make payment in the name of the 26 Degrees account holder.

If you are withdrawing the full account balance, 26 Degrees will allow Clients to continue to login to their account for a maximum 12 months. If your account balance is zero for more than 12 months your account will be closed. Once an account is closed, additional paperwork will be required and a new account number will be issued if you would like to trade again.
